Jodi handling USA Can Ch Wolfhaven's Don't go Breakn my Heart

Our Judge's Story ~

Jodi Allward has been raising and showing purebred dogs for 39 years. As a therapist in the field of Children's Mental Health and Developmental needs, Jodi has been able to combine her love for both children and animals by specializing in Animal Assisted Therapy in the area of Trauma and Attachment. She presently lives in Elora, Ontario and breeds both Whippets and Afghans (Winterbourne Kennels). Perhaps Jodi is better known in the world of dogs through her years of raising and exhibiting Irish Wolfhounds with her mom, the late Karlyn Allward (Wolfdane Kennels). At the early age of ten Jodi was fortunate enough to be further mentored by Lou Kelly of Elmbrae Kennels and had the great privilege of showing both Shawn of Elmbrae and Deidre of Elmbrae throughout their lives. This began Jodi's love affair with our wonderful breed. She continued to raise and exhibit Wolfdane dogs to multiple B.I.S. and B.I.S.S. for the next twenty five years of her life. Although Jodi no longer raises Irish Wolfhounds, she remains actively involved in our breed through her handling, grooming and consulting. Jodi remains passionate and committed to the promotion of our healthy, beautiful hounds and looks forward to a day spent with all of us, judging and enjoying our dogs.

Canine Good Citizen Test

Entries close April 15th, 2009

We will be offering the Canine Good Citizen Test (CGC) following the Match.

The CGC Program was created to encourage people to teach their dogs basic obedience. The test consists of ten parts. Each part is graded as pass or fail. You must pass all ten parts to earn a CGC title. This title can be added to the end of the dogs names just like any other AKC title.

You can read about the test on the AKC web site (www.akc.org) or you can send for a booklet called *Canine Good Citizens Program Participants' Handbook* for one dollar, from the AKC. This book details each part of the test and gives some training tips on how to teach each skill. A good beginner's obedience class will teach you the skills needed to pass this test.

Six things to know before entering the test:

1. You will take the test on a buckle or slip collar.
2. During the test you can talk to your dog and offer praise, but you cannot use food or force the dog to do an exercise, i.e. pushing the dog to a sit.
3. You will bring your own brush for the grooming part of the test.
4. If your dog eliminates at the test area, you will be marked failed
5. If your dog shows any aggression at anytime during the test, you will be dismissed.
6. You can retry at the end of the testing the one part you failed, if this will let you pass the test.

Entry for this test is \$10

Dogs must be pre entered

Entries are limited to 20

Entry for the CGC must include an AKC or LP number
